Who Buys & Why

Medical offices, accounting, architects, lawyers, teachers, administrators, crafters, artists and more.

Staging your appointment files, tax files, blueprints, court documents, reading groups, deadlines, projects and drying rack and more.

Customer Review

"Works like an accordion, each slot can be narrowed or expanded to hold as few or many (within reason) folders as needed. Lightweight so easy to relocate from desk to other surface or wherever one likes to hide files out of view."
